27th International Conference
on Organometallic Chemistry
ICOMC2016
17-22 July 2016 Melbourne, Australia
Incorporating the RACI Inorganic Chemistry Division Conference IC'16

WARNING: REPORTED "ACCOMMODATION" SCAM

We have received reports of unauthorized contact to ICOMC 2016 participants, in particular focusing on speakers. Please note that this appears to be an internet scam possibly directed at obtaining credit card, bank details or personal details. Please read the following and advise the official Conference Organisers (Arinex) if you have any queries or wish to double check information at any time. All official communication regarding accommodation for the ICOMC 2016 event will come from Arinex Pty Ltd.

The ICOMC 2016 Conference Organisers have been made aware that a service provider called 'Convention Hotel Services' has contacted a number of individuals attending ICOMC 2016, quoting the event and claiming they can provide 'assistance' in the form of discounted accommodation rates (if paid by a specific deadline), as well as other help with registrations and bookings.

Please note that Convention Hotel Services does not represent ICOMC 2016 in any way, nor have we authorised them to use the Conference name on information they may issue. While we do not know enough about this third party's intent, we recommend you reserve rooms with hotels listed on the conference web site via the ICOMC 2016 on-line booking site or by emailing Arinex.

If someone emails you claiming to be from any exhibitor department, and the email is not from an ICOMC 2016 email address, do not share any information with them. If you happen to be contacted by any other company please inform ICOMC 2016 Conference Organisers.

If you have any questions please do not hesitate to contact us.
